HERITAGE TREASURES COLLECTORS CLUB

A Message from AL RELLA

It was good seeing everyone at the last meeting! Thank you to Bob and Ann for hosting October's meeting. Hope to see many of you there!

September's meeting was held in the parking lot of the pavilion since it is still closed. Nancy showed us how to make some very nice trees that can easily be incorporated into various villages. Thank you Nancy.

Retirement weekend is fast approaching! I don't know about anybody else, but I still get excited! We are heading to Lancaster that weekend and will definitely be stopping at Feeney's to see what they have!

Have a happy Halloween! I hope you get more treats than tricks!

Please remember to support Fitzula's, our club sponsor.

Happy Collecting!

Al

Nancy Mattson

It was great to see everyone in person at our October meeting that was held at the Lake Pavilion parking lot.

A big thank you goes out to Ann and Bob Nardella for opening their house for our October meeting, sitting in the parking lot may have been a little wet since they say there is a chance of rain 50%. We still have not heard from the Town of Islip for the November meeting so it's up in the air.

Today we will be passing around a clipboard for committee sign-up. Remember my hands make light work. There is also another board with the directory on it, please check the information and if anything is missing or incorrect, please correct. There is a space for your cell number if you want. Please put a check mark next to the phone you would like the club to call if necessary.

Congratulations to the new NCC board - Brandon Taylor - Vice President, Anna McPherson- Vice President, and Martha Jack - Secretary and Scott McKeivitt- Treasurer.

Fall is here and Halloween is just around the corner. I hope you have your fall and/or Halloween vignettes set up. If you do, please post a picture on the

Club's face book page (Dept 56- Heritage Treasures' Collector's Club of Long Island), would love to see them. This year there will be no vignette for me – Fawn and Forest (7 month old kittens) love to climb and chew, so I don't want to lose anything. Thinking ahead to next year, I brought a lot of items for Day of the Dead.

Happy collecting,
Nancy
